- *Are you the parent/carer of a child with additional needs or a disability who is transitioning to adult services (14 – 25 years old)?*
- *Would you like to meet other parents to discuss and share your experiences?*
- *This informal session will give you a chance to meet other parents and professionals to share knowledge and experience.*

Meet **Samantha Gerson** from
**MyFavourite
hello**

a new online dating service designed for people 18+ with asperger's, autism and learning disabilities. Come along to find out about:

How members are matched securely and the different levels of support available:

- Independent
- Partially supported - where the member has the option to send a nominated supporter a copy of their email communications
- Fully supported - where copies of all communications are automatically emailed to a nominated supporter, plus many more questions answered.

Sam Pollock Young Person's Engagement Officer from **Core Assets** will be available to advise and design One Page Profiles specifically for young people going through the Preparation for Adulthood phase. A One Page Profile is a person centred tool that captures important information about a child/young person on a single piece of paper. The layout, design and contents can be adapted to suit each individual.
