

Do you know someone 16 – 30 years old, with additional needs, who would like to be part of an inclusive social group?

Switch Social

Activities and opportunities for like-minded individuals

At Switch Social we recognise how important it is for individuals to remain socially engaged, make friends, be part of their community and enjoy a positive social group.

Switch Social offers young adults a range of fun, social and community based activities that they can take part in and enjoy.

Switch Social creates a timetable of activities from listening to its client group. We aim to involve everybody, at all levels of ability. We believe the group should be age appropriate and reflect similar opportunities that other like-minded individuals encounter.

Switch Social
Every Tuesday Evening
7pm-9pm

at The Bargroves Centre, St Neots (term time, termly fee applies).
