

Do you have a child or young person with additional needs or disability?

Your child doesn't need a diagnosis for you to seek our help or attend one of our sessions, they may be in the pipeline, on the waiting list, accessing services, or have had a referral turned down!

Who are we?

We are Pinpoint, your local Parent/Carer Forum and hub for information, signposting and events for all things SEND.

We offer **free** signposting, information, professionals support workshops and events. We work across Cambridgeshire linking parent/carers to the right professionals. We work to make sure you get the services you need in a way that works for you by feeding back to those who are responsible for them.

What do we do?

We offer practical face-to-face sessions with visiting speakers and specialists who will be able to help you. They can help you on how to help your child or young person in the form of parent carer groups, workshops, and hubs.

We specialise in signposting to relevant organisations. We hold coffee mornings (Tii) hubs where you will always find a friendly face to chat to and have the opportunity to meet with other parent/carers in similar situations.

We offer practical ideas and information to help you and your child at our free drop in session across Cambridgeshire.

Where can you find us?

We visit Ely, Histon, Chatteris, Wisbech, Whittlesey, East Cambs, Littleport, Bottisham and Huntingdon. And we also pop up at other events across the county.

Did you know?

We provide refreshments plus, a free lunch for those who attend our workshops that run over lunchtime. We also reimburse childcare and travel expenses .

We can help!
